

PROM

please return on monday

This card paid for with federal highway safety funding by the Missouri Department of Transportation

A TRAFFIC SAFETY CAMPAIGN

FROM MISSOURI SADD

FOUR TIPS FOR A SAFE AND MEMORABLE EVENING

1

Buckle Up, Friends!

Strap in and rock that seat belt like a total boss. Over half of accidents go down within five miles of home, so don't risk it.

3

Drive Sober, Stay Rad!

Prom night's for good vibes, not bad decisions. Skip the drinks and steer clear of anyone under the influence. Safety's always in style!

2

Phone Down, Party On!

Selfies and snaps? Save those for when you're tearing it up on the dance floor. Safety's the real headliner, so drive phone free!

4

Stay Sharp, Drive Smart

Prom's a marathon, not a sprint—catch those Z's before the big night. Don't drive tired, and make a solid plan for a safe ride home.
